*The word Creed comes from the Latin Word “Credo” which means “I Believe”. This is a time to look at what Christians believe and why.*

- A study of the historic beliefs of the church and why they were needed.
- A look at how does that belief affect us today.
- A search on what is the source of our beliefs.

The study will focus on one of the earliest foundational statements of Christian beliefs ~ The Apostles’ Creed. And some of the questions we will be addressing are:

1. *What evidence is there that God exists? Does it really matter one way or the other?*
2. *What do Christians believe about Jesus? Why do they believe this?*

3. *Who is the Holy Spirit? What does the Holy Spirit do?*
4. *What does the Creed mean when it says “holy” and “catholic”?*
5. *What difference does it make if your sins are forgiven? Why does it matter?*
6. *What is the resurrection of the body? What does life everlasting mean?*

**Invitation:** *Come explore your faith this Lenten season. The purpose is that when we are better able to express what we believe and why the better we will be in sharing our experience with others. Sharing faith in this way can change the world.*
